Star Student of the Week

Grady 12/5
Isabell 12/12
Skarlett 12/19
Jocelyn 12/5
Josue 12/12
Landen 12/19

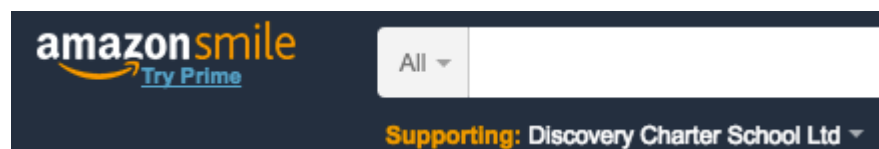

Coding and Support

This week is Computer Science Education Week. During the week the DCS first graders partnered with the DCS third graders to learn about coding. The students used the Kodable and Daisy the Dinosaur coding apps. You can find more coding resource by going to Code.org.

DCS will collect your real Christmas trees and reuse them after the Holiday Season is over! We are looking for 6-10 trees. They may be dropped off on the lawn by the greenhouse shed. We'll be decorating them with goodies for the squirrels and birds over the winter. Please let us know if you have a tree you would like to donate. Thank you!

DCS is registered with AmazonSmile! Smile is Amazon's charitable organization for non-profits. As you do your online shopping, use this link: <https://smile.amazon.com/ch/47-2584844>

You can bookmark the site as your Amazon go-to place. A portion of all qualifying purchases will be donated to DCS for classroom and school projects. You will see **Supporting: Discovery Charter School Ltd.** under the search bar when you use this link, that way you'll know you're in the right place.

This is an ongoing fundraiser and we encourage you to use DCS's Amazon Smile year round! Thank you!

Please label all of your child's winter gear. It makes it easier to identify similar items and return misplaced items.

Lastly, a reminder, when your child is superstar, you are more than welcome to come in and read a book to the class and eat lunch with your superstar. If you would like to have lunch with them, please call in that morning before 9 am for the lunch count. Lunch is at 12:05. We will meet you at the office, since our specials are at that end of the building. If you have any questions, just email or send a note inside your student's red folder.
